Dear Healthcare Organization Representative,

On behalf of the Surfing for Hope Foundation, we would like to invite your organization to participate in our 14th annual benefit weekend's Cancer Resource Health Fair. The event will be held on Saturday, November 15th, 2025, from 10am to 2pm at the Pismo Beach Pier in Pismo Beach, California.

The Cancer Resource Health Fair is a unique event that brings together cancer patients, survivors, healthcare providers, and community organizations. The fair provides an opportunity for cancer patients and survivors to learn about the many resources that are available to them, and for healthcare providers to connect with potential patients, showcase your services, and build relationships with other healthcare providers and community organizations.

This year's fair will be held in conjunction with a World Surf League professional longboard surf contest and vintage VW car exposition all taking place simultaneously. We believe that our annual Longboard Classic, Cancer Resource Health Fair, Vintage VW car show, and Annual Gala & Cancer Benefit are valuable events for the Central Coast community. By participating, your organization can help to raise awareness of cancer resources and provide support to cancer patients and survivors.

To secure your spot at this important event, please visit our website at surfingforhope.org or contact us at surfingforhope@gmail.com. We encourage you to register early as space is limited.

We hope to see you there!

Sincerely,

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to Get a TIN*, later.
Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:
1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.
Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

What's New
Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

Purpose of Form

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
